# URBAN TERRAIN

OUTDOOR APPAREL

## BUILT TO ENDURE. DESIGNED TO EXPLORE.

Urban Terrain was born from a deep respect for nature's extremes and the fast-paced demands of everyday life. Our apparel is made for those who move between both - one foot in the wild, the other on city ground.

From rugged trails to rooftop gatherings, our gear is designed to adapt. Whether you're navigating dense bushveld, casting lines at first light, or heading straight into a meeting or social event, Urban Terrain moves with you. It's performance apparel made to move seamlessly between wild terrain and urban streets - built for versatility, wherever life takes you.

Our lightweight, breathable tees are perfect for hikes, hands-on work, or everyday wear. Our refined golf shirts, on the other hand, transition effortlessly between untamed terrain and urban occasions - ideal for those who want to look sharp without giving up function.

Our shirts deliver structure and flexibility - tough

enough for the outdoors, breathable for long days, and polished enough for a team meeting or post-hike hangout. Our pants and shorts are built for resilience and ease, with performance fabrics and smart design features that keep you agile and ready for whatever comes next.

When the elements turn, our outerwear rises to meet the moment. From warmth-locking hoodies to storm-defying jackets, every layer is engineered to protect without holding you back - whether you're bracing against mountain winds or city downpours.

Urban Terrain sets a new standard - where rugged performance meets refined style. This is gear built to go the distance and look the part, no matter the setting.

It's made for those who forge their own path - because true adventure isn't just about the journey, it's about the impact you leave behind.

## GEAR UP. VENTURE BEYOND.
