ABOUT US

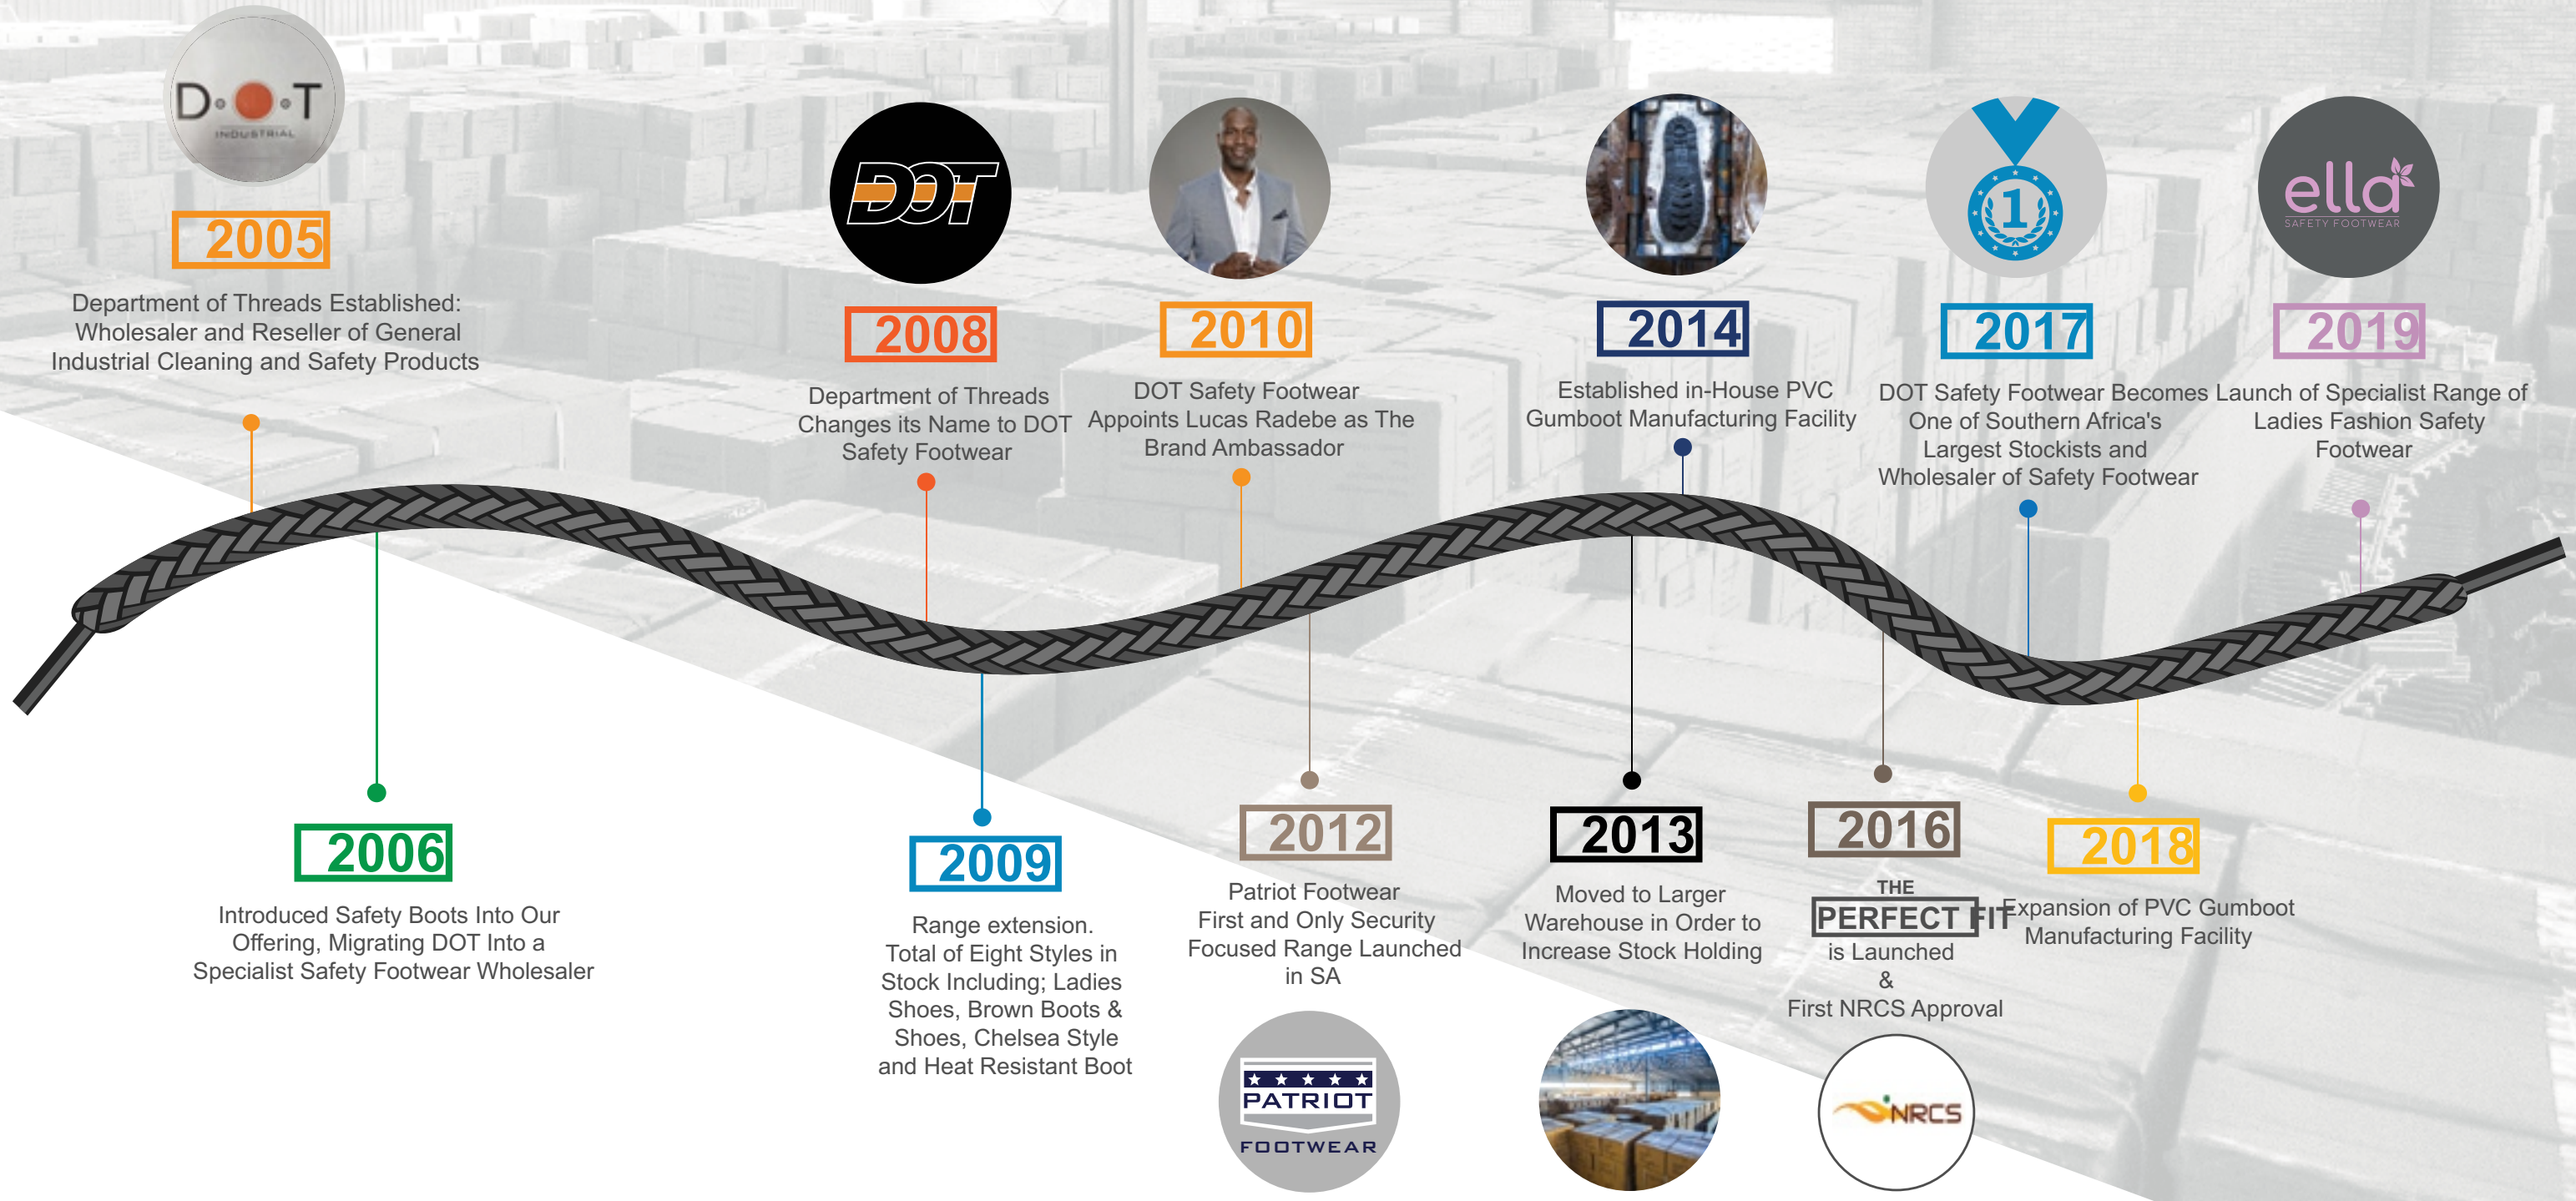

With over 14 years of exciting transformation and growth, DOT Safety Footwear is a market leader in the safety industry.

Whether manufacturing locally or sourcing internationally, we continuously live up to our pledge of Consistency, Reliability & Durability.

With the largest available stock holding in Southern Africa, DOT also continues to innovate, refine and develop superior safety footwear.

Once again, we take great pride in introducing you to our growing range of **tested** quality footwear.

We are certain that within this catalogue you will find your Perfect Fit.
